Why Come to an Adult Volleyball Clinic?

If you have known for years that there is a proper way to play but did not know exactly what it is.

If you have been playing Volleyball for years but have really never been taught the correct way to play.

If you wonder whether the offense and defense that you play, is the best for your team and the types of players you have.

Which clinic should I choose?

The **Beg/Inter Camp** will emphasize more individual skills and will review team skills. The **Inter/Advance Camp** will review basic skills and instruct on higher level techniques and get into system details and transition play.

Coaching Staff

Steve Suttich—Steve has been playing and coaching Volleyball for over 30 years. Steve has won both NCAA and USAV National Championships. Steve has been named All-American 8 times while playing in NCAA (UCLA) and USAV Championships. He has coached at the HS (both boys and girls), Collegiate (Univ. of Wash, 8 years), National and International levels. Steve has been the keynote speaker at National and International coaches clinics, camps and has worked with the Men's and Women's National team coaches.

Marty Mozzochi—Marty has been coaching at a high level since 1979 when she was named the Head Coach for the University of San Francisco. In 1984, after four seasons at USF, Marty and her husband Jeff, moved to PSU and enjoyed success that Vikings fans haven't seen since. Over the course of nine seasons, the Vikings finished ranked in the nation's top 10 every season, and in the top four six times, winning four national championships in that span including back-to-back championships in 1984 and 1985. In 1993, Jeff and Marty left PSU to coach at Oregon State University. At OSU, she helped the Beavers reach levels they had not previously achieved including receiving three post-season invitations and top 25 rankings in four seasons.

Depending on enrollment, these and other coaches will staff the camp

Beginning/Intermediate Players are players who may be raw beginning players or players who have played but have not mastered the skills.

Intermediate/Advanced Players are players who have mastered some skills though lots of repetition (experience) but may not have proper technique.

Player Coach ratio

We will strive to have 1 coach for every 10-12 players.
